claim, he must also file a statement showing the manner in which the land was used by him and his predecessors in interest during the 20 years prior to August 7, 1946. If improvements on the land are relied on to support the claim, he must file a statement showing the nature, value, and location of the improvements, and when and by whom they were made. If cultivation of the land is relied on to support the claim, he must file a statement setting forth the amount and portion of the land which was cultivated, the nature of the cultivation and the years in which cultivation was had. Such statements must be corroborated by two disinterested witnesses having knowledge of the facts, but need not be under oath.

If applicant's claim is not based upon matters of record, he must file with his application a statement setting forth:

(1) The names of all the intermediate possessors of the land during the 20 years prior to August 7, 1946.

(2) The manner in which each intermediate possessor acquired the land.

(3) The period of time each intermediate possessor held the land.

(4) The nature of the use, improvements, or cultivation of the land by each intermediate possessor.

(5) The date and the manner in which the applicant acquired possession of the land, and the nature of the use, improvement or cultivation of the land by him.

(6) Any other available facts tending to establish the applicant's peaceful, adverse possession of the land for the period required, and the manner in which the lands were used, improved, or cultivated.

Such statement must be corroborated by two disinterested witnesses having knowledge of the facts, but need not be under oath.

§ 141.37 *Purchase price.* At the time of filing of the application, applicant must submit the purchase price of the land, computed at the rate of $1.25 per acre.

§ 141.38 *Publication and posting.* If, upon consideration of the application, it is determined by the Bureau of Land Management that the applicant is entitled to purchase the tract applied for, notice for publication will be issued by the Bureau. Such notice shall be published at the expense of the applicant, once each week for a period of five consecutive weeks, in a newspaper to be designated by the Director of the Bureau of Land Management. The purpose of the notice will be to afford all persons claiming the land adversely to the applicant, a reasonable opportunity to file in the Bureau of Land Management their protests or objections to the purchase. A copy of the notice will be posted in a conspicuous place in the Bureau of Land Management during the entire period of publication. Upon completion of the publication of notice, evidence of publication must be furnished, consisting of an affidavit of the publisher and a copy of the notice published.

§ 141.39 *Protests.* If any protest or objection is filed, it must be accompanied by evidence that a copy thereof has been served on the applicant.

§ 141.40 *Final certificate and patent.* Upon compliance with the terms of the statute and the regulations, and if no objection appears, a final certificate will be issued, followed by patent. The final certificate will bear upon its face a notation that the patent will issue subject to a reservation to the United States of all minerals in accordance with the act of August 7, 1946 (60 Stat. 872). The patent, when issued, will contain the following provision:

Excepting and reserving to the United States pursuant to the act of August 7, 1946 (60 Stat. 872), all oil, gas or other mineral deposits contained therein, together with the right to sell or dispose of such minerals under applicable laws and the right of the permittees, lessees, grantees, or agents of the United States to enter upon said lands for the purpose of prospecting for and mining such minerals.

FRED W. JOHNSON,
Director.

Approved: September 12, 1947.

C. GIRARD DAVIDSON,
Assistant Secretary of the Interior.

Appendix—Public Land Orders

[Public Land Order 408]

OKLAHOMA

ORDER MODIFYING EXECUTIVE ORDER NO. 6681 OF APRIL 17, 1934; NOTICE OF FILING OF PLATS OF SURVEY

By virtue of the authority vested in the President and pursuant to Executive Order No. 9337 of April 24, 1943, Executive Order No. 6681 of April 17, 1934, withdrawing the hereinafter described public lands from settlement, location, sale, or entry for classification and pending legislation is hereby modified so as to permit the filing of applications for such lands under the act of August 7, 1946 (60 Stat. 872) as hereinafter provided.

Notice is given that the plats of survey of the hereinafter described lands, some of which were accepted August 24, 1932, and the remainder January 22, 1936, will be officially filed in the Bureau of Land Management, Washington 25, D. C., effective at 10:00 a. m. on November 14, 1947. At that time and until and including November 14, 1948, subject to valid existing rights and the provisions of existing withdrawals, the lands shall be subject to application under section 1 of the act of August 7, 1946 (60 Stat. 872).[1]

[1] Section 1 of the act of August 7, 1946 (60 Stat. 872), provides that, where public lands situated south of the Cimarron base line in the State of Oklahoma and north of the North line of the State of Texas have been used, improved or cultivated in connection with abutting land, and have been held in good faith, in peaceful, open, adverse possession by a citizen, or citizens, of the United States or their ancestors, or grantors, for a period of not less than twenty years prior to the passage of the act, such citizen, or citizens, shall be entitled to receive a patent therefor upon payment of $1.25 per acre. The oil, gas, and other mineral deposits in the land are reserved to the United States.

Applications under the act of August 7, 1946, shall be filed in accordance with that act and §§ 141.34 to 141.40 of Title 43 of the Code of Federal Regulations (Circular No. 1656). All applications shall be filed in the Bureau of Land Management, Washington 25, D. C.

The lands will not otherwise be subject to application, petition, location or selection under the general public land laws until further order.

The lands affected by this notice and order are situated south of the Cimarron base line in the State of Oklahoma, and north of the North line of the State of Texas in fractional townships described as follows:

CIMARRON, TEXAS AND BEAVER COUNTIES, OKLAHOMA, CIMARRON MERIDIAN

Tps. 1 S., Rs. 1 to 26 E.
