[Idaho 08281]

IDAHO

PARTIALLY REVOKING EXECUTIVE ORDER NO. 4806 OF FEBRUARY 11, 1928, WHICH RESERVED LANDS FOR USE OF THE DEPARTMENT OF COMMERCE FOR AIR NAVIGATION FACILITIES

By virtue of the authority vested in the President and pursuant to Executive Order No. 10355 of May 26, 1952, and section 4 of the act of May 24, 1928 (45 Stat. 728; 49 U. S. C. 214), it is ordered as follows:

1. Executive Order No. 4806 of February 11, 1928, so far as it reserved the following-described public land in Idaho for use of the Department of Commerce for air navigation facilities, is hereby revoked:

BOISE MERIDIAN

T. 12 N., R. 7 W.,
Sec. 34, S½SE¼SW¼, NW¼SE¼SW¼, N½NE¼SE¼SW¼, and SE¼NE¼SE¼SW¼.

The area described contains 37.5 acres.

2. The land is located about 10 miles northwesterly from Weiser, Idaho. It lies at an elevation of about 3,500 feet. The topography is generally rough and mountainous. The vegetative cover consists mostly of cheatgrass and mustard. The land has little or no suitability for farming.

3. No application for the land may be allowed under the homestead, desert land, small tract, or any other nonmineral public land law unless the land has already been classified as valuable or suitable for such type of application, or shall be so classified upon the consideration of an application. Any application that is filed will be considered on its merits. The land will not be subject to occupancy or disposition until it has been classified.

4. Subject to any valid existing rights and the requirements of applicable law, the land is hereby opened to filing of applications, locations, and selections in accordance with the following:

a. Applications and selections under the nonmineral public land laws may be presented to the Manager mentioned below, beginning on the date of this order. Such applications and selections will be considered as filed on the hour and respective dates shown for the various classes enumerated in the following paragraphs:

(1) Applications by persons having prior existing valid settlement rights, preference rights conferred by existing laws, or equitable claims subject to allowance and confirmation will be adjudicated on the facts presented in support of each claim or right. All applications presented by persons other than those referred to in this paragraph will be subject to the applications and claims mentioned in this paragraph.

(2) All valid applications under the Homestead, Desert Land, and Small Tract Laws by qualified veterans of World War II or of the Korean Conflict, and by others entitled to preference rights under the act of September 27, 1944 (58 Stat. 747; 43 U. S. C. 279–284), as amended, presented prior to 10:00 a. m., on January 31, 1958, will be considered as simultaneously filed at that hour. Rights under such preference right applications filed after that hour and before 10:00 a. m., on May 2, 1958, will be governed by the time of filing.

(3) All valid applications and selections under the nonmineral public land laws, other than those coming under paragraphs (1) and (2) above, presented prior to 10:00 a. m., on May 2, 1958, will be considered as simultaneously filed at that hour. Rights under such applications and selections filed after that hour will be governed by the time of filing.

b. The lands will be open to applications and offers under the mineral-leasing laws, and to location under the United States mining laws beginning at 10:00 a. m., on May 2, 1958.

5. Persons claiming veterans preference rights must enclose with their applications proper evidence of military or naval service, preferably a complete photostatic copy of the certificate of honorable discharge. Persons claiming preference rights based upon valid settlement, statutory preference, or equitable claims must enclose properly corroborated statements in support of their claims. Detailed rules and regulations governing applications which may be filed pursuant to this notice can be found in Title 43 of the Code of Federal Regulations.

6. The lands are withdrawn for transmission line purposes in Federal Power Project No. 406, and by general determination of the Federal Power Commission issued April 17, 1922 (43 CFR 103.5) any entry, location or selection of the lands under the public land laws, shall be subject to the reservation made by section 24 of the Federal Power Act.

Inquiries concerning the land shall be addressed to the Manager, Land Office, Bureau of Land Management, Boise, Idaho.

ROGER ERNST,
Assistant Secretary of the Interior.
