**§ 2000.735–7 Statements of employment and financial interest.**

(a) In addition to the employees required to submit statements of employment and financial interest under 5 CFR 735.403 (a) through (c), employees of the agency in junior staff positions ordinarily filled at GS–13 through GS–15 grade levels shall submit statements of employment and financial interest.

(b) Employees, detailed from other Government agencies, who occupy professional staff positions at GS–13 through GS–18 grade levels, shall submit statements of employment and financial interest to this agency, in addition to any requirements of the detailing agency for the submission to it by the detailed employee of statement of employment and financial interest.

(c) Each statement of employment and financial interest required by this section shall be submitted to the Administrative Officer, National Security Council Staff, Executive Office Building, Washington, D.C., 20506.

**§ 2000.735–8 Agency regulations governing statements of employment and financial interest of special Government employees.**

(a) Except as provided in paragraph (b) of this section, the Executive Secretary of the National Security Council shall require special Government employees to submit a statement of employment and financial interests which reports:

(1) All other employment; and

(2) The financial interests of the special Government employee which relate either directly or indirectly to the duties and responsibilities of the special Government employee.

(b) The Executive Secretary, National Security Council, may waive the requirement in paragraph (a) of this section for the submission of a statement of employment and financial interests in the case of a special Government employee who is not a consultant or an expert when the agency finds that the duties of the position held by that special Government employee are of a nature and at such a level of responsibility that the submission of the statement by the incumbent is not necessary to protect the integrity of the Government.

This Part 2000 was approved by the Civil Service Commission on February 16, 1966.

*Effective date.* This Part 2000 shall become effective upon publication in the FEDERAL REGISTER.

Dated: March 7, 1966.

BROMLEY SMITH,
*Executive Secretary.*

SUBCHAPTER C—AIRCRAFT

[Docket No. 6961; Amdt. 39–209]

### PART 39—AIRWORTHINESS DIRECTIVES

### Lockheed Model 188A and 188C Series Airplanes

Amendment 39–182 (31 F.R. 693) requires inspection, and replacement where necessary, of the upper and lower outer wing front cap fittings on Lockheed Model 188A and 188C Series airplanes. Paragraph (d) of the AD requires deburring to be in accordance with section 2.D.(4) of Lockheed Service Bulletin 88/SB–633A. The Agency has been advised that the manufacturer has issued Revision B to the service bulletin, which makes no substantive change to the bulletin other than providing a compliance time for deburring identical to that required by the AD. The AD is being revised to cite this latest revision which
