General Order 22 is revised to read:

The War Shipping Administration pursuant to authority conferred upon it by the Merchant Marine Act, 1936, as amended, Title 34 U. S. Code, sections 1121, 1122, 1123 and 1123 a–e inclusive, Executive Order 9054 dated February 7, 1942, Executive Order No. 9083 dated March 2, 1942, and Executive Order 9198 dated July 11, 1942, hereby prescribes and adopts as necessary and appropriate to maintain a trained and efficient merchant marine personnel the following regulations for State Maritime Academies.

310.1 Definitions.
310.2 Appropriations and disbursements.
310.3 Shore base.
310.4 Training ship.
310.5 Entrance standards.
310.6 Personnel.
310.7 Crew.
310.8 Curriculum.
310.9 Miscellaneous regulations.

AUTHORITY: §§ 310.1 to 310.9, inclusive, issued under 36 Stat. 1353, 55 Stat. 607; 34 U.S.C. 1121–1123; 34 U.S.C. Sup. 1123a–1123e; E.O. 9054, 9083, 9198; 7 F.R. 837, 1609, 5383.

§ 310.1 *Definitions.* As used herein, the following definitions shall apply:

(a) "W.S.A." shall mean the War Shipping Administration.

(b) "Administrator" shall mean the Administrator, War Shipping Administration.

(c) "Deputy Administrator" shall mean the Deputy Administrator for Training, War Shipping Administration.

(d) "Training Organization" shall mean the Training Organization, War Shipping Administration.

(e) "Assistant Deputy Administrator" shall mean the Assistant Deputy Administrator for Training, Training Organization, War Shipping Administration.

[1] 7 F.R. 7619.

(f) "Superintendent" and "Commanding Officer" shall mean one and the same person, providing he fills both capacities; otherwise the word "Superintendent" shall mean the Superintendent of the state maritime academy and the "Commanding Officer" shall mean the Commanding Officer of the training ship.

(g) "Officers" shall mean all officers and instructors connected with the state maritime academy or the training ship, except part-time civilian instructors.

(h) "Maritime Service" shall mean the United States Maritime Service.

(i) "Supervisor" shall mean the Supervisor of State Maritime Academies, Training Organization, War Shipping Administration.

§ 310.2 *Appropriations and disbursements.* (a) An annual grant of $25 000 as authorized by Act of Congress in 1911, will be paid to each State Maritime Academy, if funds therefor are appropriated by the Congress, to each of the five existing State Maritime Academies and such others as may be approved by the W. S. A., providing such State Maritime Academies comply with the Regulations and Minimum Standards prescribed by the W. S. A.

(b) Additional Federal aid in excess of $25,000 and up to a total of $50,000 as authorized by Public Law 191, 77th Congress, (55 Stat. 607), will be paid to the State Maritime Academies, *Provided:*

(1) That the State shall appropriate an amount equal to that received each year from the Federal Government for the same purpose; (2) that the W. S. A. shall have the right to approve students from other states, where an Academy has determined such are eligible for admittance; (3) that the number of students admitted from the other states shall not exceed one-third of the total complement at an Academy; (4) that the per capita cost paid for each out-of-state student will be established annually. To determine this cost, the total number of state cadets will be divided into the total operating expense, less the grant. Vouchers, Standard Form 1034, will be submitted monthly covering the per capita cost of cadets at the Academy, accompanied with a list of the cadets who have been nominated.

For example: Assuming that the per capita cost for cadets is $650.00 and 20 cadets were nominated from out-of-state to an Academy, the voucher submitted would be:

1/12 of $650.00 equals $54.17 per cadet,
$54.17 × 20 cadets equals $1,083.40,
$1,083.40 being the amount for which the voucher is submitted.

The above voucher would then be made out monthly and submitted to the Supervisor for the duration of the cadets' training, for sixteen months at the Academy. If the per capita cost of the cadets is $650.00, no more than 38 cadets can be assigned by the Training Organization to any one Academy. Also, if 38 candidates were nominated to any Academy, no more candidates could be approved by the Training Organization until these men had graduated from that Academy.

(c) All cadets at State Maritime Academies will be enrolled in the Maritime Service, and in the U. S. Naval Reserve, as Midshipmen, Merchant Ma-
