must present themselves at the regular time and place, as herein prescribed, for physical examination and the tests prescribed in § 75.8 (b), and, if required, for the validating examination.

(e) A candidate submitting a secondary school certificate who has taken the College Entrance Examination Board's Scholastic Aptitude Test should have his record in this test forwarded to the Adjutant, West Point, N. Y., at the same time as his school certificate. He should state on the letter that this is being done.

(f) A candidate in his last year in secondary school who elects not to take the validating examination in March but to depend for validation of his certificate upon the Scholastic Aptitude Test of April of the same year should include a statement to that effect when submitting his educational certificate. The latter should be submitted, as in the general case, when the blank form is received from The Adjutant General. In any case he must report in March for the physical examination and the tests prescribed in § 75.8 (b).

(g) A candidate whose certificate qualifications have been approved, provided he completes his regular high-school or preparatory-school course with good grades and graduates, must bring with him, and present on the day he reports for admission, his diploma or certificate of graduation, together with a certified statement of the grades attained in his academic work, in order that the academic board of the Military Academy may determine whether or not these provisions have been fulfilled. If approval of his certificate was also subject to passing the College Entrance Examination Board's Scholastic Aptitude Test at a later date, he should have a report of his record on this test sent to the Adjutant, West Point, N. Y., as soon as the marks are available.

(h) A candidate who has once satisfactorily fulfilled all the mental requirements for entrance will be regarded as qualified at any subsequent opportunity which may arise for entrance with the same class.

(i) A certificate which is accepted as satisfactory for one examination will be regarded as satisfactory for any other examination which may be set for entrance with the same class, unless it has been voided in the meantime by failure in the first examination, in which event it will be reconsidered in connection with the results of that examination, should the candidate be reappointed with a view to admission the same year.

(j) Any certificate accepted for entrance with one class is not valid for entrance with a succeeding class unless reapproved. It must be resubmitted, accompanied by a full statement of the candidate's educational work in the interim, and both certificate and statement will be subject to careful scrutiny by the academic board.

(k) A candidate, not an ex-cadet, who has once been declared mentally qualified for entrance upon written examination, either regular or validating, need not undergo a second mental examination in case of any subsequent appointment unless the requirements for entrance have been changed in the meanwhile. A candidate reported not qualified mentally in one or more subjects on one examination will be required to qualify in all subjects at any subsequent examination.

(l) Information on the Scholastic Aptitude Test mentioned herein may be obtained from the College Entrance Examination Board. Address it for this purpose at P. O. Box 592, Princeton, N. J. [Par. 36]
