Executive Order.

In accordance with the provisions of Section 2253 of the Revised Statutes of the United States, and by virtue of the authority therein given it is hereby ordered that the boundary lines of the Billings land district in the State of Montana, established by the Act of Congress, approved February 5, 1906, be changed and re-established as follows:

Beginning at a point where the line between ranges twenty and twenty-one east of the Montana Principal Meridian intersects the south boundary of the State of Montana; thence north along said range line to its intersection with the First Standard Parallel North; thence east along said parallel to its intersection with the line between ranges twenty-six and twenty-seven east; thence north along said range line to its intersection with the Second Standard Parallel North; thence east along said parallel to its intersection with the line between ranges thirty-three and thirty-four east; thence south along said range line to the south-west corner of township seven north, range thirty-four east; thence east along the line between townships six and seven north, to its intersection with the mid channel of the Yellowstone River; thence down the mid channel of said river to its intersection with the line between townships six and seven north; thence east along said township line to the north-east corner of township six north, range thirty-eight east; thence south along the line between ranges thirty-eight and thirty-nine east to its intersection with the south boundary of the State of Montana; thence west along said boundary to the place of beginning.

THEODORE ROOSEVELT

THE WHITE HOUSE,
March 28th 1906.
