753

Executive Order.

The following described land is hereby reserved for light-house purposes; to wit, a tract of unsurveyed land, containing about six acres, bounded on the northeast by block one on the Spit reserved for "Light-House purposes", on the southeast by Port Angeles Bay, on the northwest by the Strait of Juan de Fuca, and on the southwest by the northeast lines of suburban lots 135 and 147, all as shown by the plats of Port Angeles Townsite, Washington, approved by the U. S. Surveyor General of the State of Washington, on November 4, 1863, and September 12, 1892.

THEODORE ROOSEVELT

WHITE HOUSE,
February 10, 1908.

[No. 753.]
