1815

Executive Order.

Section 3 of the Regulations Governing Appointments to the Navy Yard Service is hereby waived so as to permit of the appointment of Edmond Pawellik to the position of general helper at $1.76 per diem at the Navy Yard, Norfolk, Va.

This order is issued upon the recommendation of the Secretary of the Navy and is based upon the fact that Pawellik was discharged from the Navy owing to injuries received in the line of duty and is unable to obtain civil employment.
