1816

Executive Order.

Section 3 of the Regulations Governing Appointments to the Navy Yard Service is hereby waived so as to permit of the appointment of Pedro Abrain to the position of general helper at $2.32 per diem at the Navy Yard, Mare Island, Cal.

This order is issued upon the recommendation of the Secretary of the Navy and is based upon the fact that Abrain was injured in the line of duty as a fireman on board the U. S. S. PROMETHEUS and is unable to perform the duties of a fireman.
