Executive Order

Mr. Neil McGee, of Carson City, Nevada, may be appointed to a position in the classified service without reference to the civil service rules.

This order is issued upon the recommendation of the Secretary of Labor, who states that it is contemplated at an early date to initiate employment work of the Department in the State of Nevada and that the services of a capable man who has a general acquaintance in that State would materially assist the United States Employment Service in promoting the work of the Department of Labor in Nevada. It is stated that Mr. McGee, who has for more than a year been connected with the Commission of Labor and Industry in the State of Nevada, is peculiarly qualified for this work.

The Civil Service Commission does not concur in the recommendation.
