Order

THE WHITE HOUSE,
Washington, D. C.,
27 October, 1917.

The scale of prices prescribed 21 August, 1917 by the President of the United States for bituminous coal at the mine, as adjusted and modified, by order of the United States Fuel Administrator, to meet exceptional conditions in certain localities, is hereby amended by adding the sum of 45 cents to each of the prices so prescribed or so adjusted and modified, subject, however, to the following express exceptions:

(1) This increase in prices shall not apply to any coal sold at the mine under an existing contract containing a provision for an increase in the price of coal thereunder in case of an increase in wages paid to miners.

(2) This increase in prices shall not apply in any district in which the operators and miners fail to agree upon a penalty provision, satisfactory to the Fuel Administrator, for the automatic collection of fines in the spirit of the agreement entered into between the operators and miners at Washington, October 6, 1917.

This order shall become effective at 7.00 A. M. on October 29, 1917.
