2928

Executive Order.

Under authority contained in act of Congress approved March 4, 1917 (39 Stat., 1192), wherein it is provided:

> That in case of national emergency the President is authorized to suspend provisions of law prohibiting more than eight hours labor in any one day of persons engaged upon work covered by contracts with the United States: *Provided further*, That the wages of persons employed upon such contracts shall be computed on a basic day rate of eight hours work, with overtime rates to be paid for at not less than time and one-half for all hours work in excess of eight hours,—

it is hereby ordered that during the present national emergency the provisions of law limiting the hours of daily service of mechanics and laborers to eight hours in any one day, on work under contracts to which the United States is a party, are suspended with respect to contracts in connection with construction work necessary to the establishment and maintenance of fuel storage and distributing yards in the District of Columbia now being operated by the United States under the act of Congress approved July 1, 1918, Public No. 181, wages and over-time rates to be computed and paid in the manner provided by said act of March 4, 1917, *supra*.
