Executive Order.

Whereas, by an Executive Order under date of August 8, 1918, prescribing rules and regulations governing departure from and entry into the United States, it was provided by Section 12 thereof as follows:

"No person registered or enrolled or subject to registry or enrollment for military service in the United States shall depart from the United States without the previous consent of the Secretary of War or such person or persons as he may appoint to give such consent. The Secretary of State shall issue no passport or permit entitling such person to depart without securing satisfactory evidence of such consent. Reference should be had to section 156, Selective Service Regulations, and amendments thereto"; and

Whereas it is no longer necessary that the above quoted regulations with regard to the departure from the United States of persons registered or enrolled or subject to registry or enrollment for military service in the United States should continue in force,

Now, therefore, it is ordered that Section 12 of the said Executive Order of August 8, 1918, is hereby revoked.

This order shall take effect from and after the date thereof.
