By virtue of the authority vested in the President by "An Act to define, regulate and punish trading with the enemy, and for other purposes," approved October 6, 1917, known as the "Trading with the Enemy Act", and the amendment to such Act embodied in "An Act making appropriations to supply urgent deficiencies in appropriations for the fiscal year ended June 30, 1918, and prior fiscal years on account of war expenses and for other purposes", approved March 28, 1918, and the amendment to such Act embodied in "An Act making appropriations to supply deficiencies in appropriations for the fiscal year ended June 30, 1919, and prior fiscal years on account of war expenses and for other purposes," approved November 4, 1918, to make certain orders such as that herein contained, which authority has been delegated to me by the Executive Order 2016 and signed by the President under the third day of December, 1918, I hereby, in the public interest, make the following determination and order:

The Alien Property Custodian having offered for sale at public auction in the city and state of New York at eleven o'clock A.M. on the 6th day of February, 1919, the following property, to-wit:

Item I. 750 shares of the common stock of the par value of $100 each, of Golde Patent Manufacturing Co., Inc., a New York Corporation.

Item II. 250 shares of the Preferred Stock of the par value of $100 each of said company.

(Item I and Item II together constitute all the capital stock issued and outstanding in said company.)

Item III. All the right, title, and interest of Traugott Golde of Gera, Germany, in and to Letters Patent of the United States, No. 1,190,751 (Traugott Golde, inventor) dated July 11, 1916, for "Top for Conveyances," subject to the rights of said Golde Patent Manufacturing Co., Inc.

Item IV. All the right, title and interest of Albin Schreiber of Untermhaus, near Gera, Germany, in an undivided one-half interest (the remaining undivided one-half interest belonging to the Golde Patent Manufacturing Co., Inc., of New York) in and to Letters Patent of the United States No. 958,183, (Albin Schreiber and Otto Meister, inventors) dated June 9, 1913, for "Automobile Covering"; subject to the rights of said Golde Patent Manufacturing Co., Inc.

which said property was held by the Alien Property Custodian, and at which sale the highest bid received for said property was the sum of $33,750 made by G. M. Thurnauer.

It is therefore ordered that the Alien Property Custodian be, and he is authorized, and shall have the right to reject all bids at said sale including the bid of the said G. M. Thurnauer, and to resell such property in accordance with the provisions of the said "Trading with the Enemy Act," as amended, and the

executive orders and proclamations issued pursuant thereto.

The reason for the foregoing order is that the price bid for said property by the said G. M. Thurnauer, to-wit: the sum of $33,750. is inadequate and not the fair value of the property offered for sale.
