3342

Executive Order.

Schedule A of positions excepted from competitive examination is hereby amended by addition to Subdivision III, paragraph 7, of a clause to read as follows:

Repealed
Jr. 3376

Employees engaged in rural sanitation work financed jointly and equally by the Treasury Department and a State, county or municipality.

This order is recommended by the Secretary of the Treasury that the Department may avail itself of the services of local health officers or other local officers engaged on rural sanitation work, in the use of an appropriation for demonstration work in rural sanitation, to be expended only in localities where the State, county or municipality agrees to pay one-half of the expenses of such demonstration work. The Commission concurs in the recommendation.
