Executive Order.

Under authority of law (Act of April 20, 1922, 42 Stat., 496), the use and control of all those certain parcels of land situate, lying and being west of the Chicago and Northwestern Railway tracks at the Naval Training Station, Great Lakes, Lake County, Ill., that were taken over for naval purposes by proclamation of the President dated November 4, 1918, No. 1493, as an addition to the said Naval Training Station, Great Lakes, Ill., as shown on a certain survey made by G. W. Thaxter, dated October 1922, and platted on a drawing to scale "1 inch equals 200 feet" and bearing serial No. 0–11 (which drawing is on file in the office of the Commandant, Naval Training Station, Great Lakes, Ill.) are, with the exceptions hereinafter stated, hereby transferred from the Navy Department to the United States Veterans' Bureau. 40:1875

The parcels hereby transferred comprise a tract of land containing 589.951 acres, more or less, exclusive of public highways, and are defined on the said drawing by numbers as follows: I, V, VII, VIII, IX and X.

The exceptions to this transfer are the following:

(a) The water tank and an area surrounding it situate near the northwest corner of the said tract and delimited by monuments Nos. 58, 59, 60, 61 and 62, reserved to the control of the Navy Department.

(b) The water main and the reservation upon which it is located being a strip of land 20 feet in width traversing the said tract and delimited by monuments A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, 60 and 61, reserved to the control of the Navy Department.

(c) A parcel, now private property, formerly known as "Tract No. 34-½" lying south of parcel marked "III" on the said drawing 0–11, comprising 0.9 acre, more or less, conveyed by the United States to Charles W. Smith by an indenture bearing date of July 18, 1923, and recorded under date of July 31, 1923, among the Land Records of Lake County, Illinois, in Book 259 of Deeds page 363.

(d) A parcel, now private property, formerly known as "Tract No. 41," situate in the extreme northwest corner of Subdivision "V" as shown on said drawing 0–11, comprising 24.7 acres, more or less, conveyed by the United States to the heirs of William A. Mihan, deceased, by an indenture bearing date of June 26, 1923, recorded under date of July 13, 1923, among the Land Records of Lake County, Illinois, in Book 252 of Deeds, page 631.

Included with the land hereby transferred are all buildings and other improvements, property of the United States, located thereon. The Navy Department is permitted to occupy as living quarters the dwelling houses until such time as the United States Veterans' Bureau desires to occupy or remove them, and the furniture and furnishings now in such dwellings, property of the United States, are excluded from this transfer and reserved to the control of the Navy Department.

Any further improvements that may be placed on the land hereby transferred, and all repairs to and extensions of existing improvements thereon, shall be at the cost of other than naval appropriations.

The United States Veterans' Bureau shall bear an equitable part of the cost of repairs to and improvements of any structures under the control of the Navy Department and located within the Naval Training Station, Great Lakes, Illinois, or the Naval Hospital, Great Lakes, Illinois, that are or may become necessary to the use by the United States Veterans' Bureau of the land hereby transferred, including the construction, operation, or maintenance of any improvements placed there by the United States Veterans' Bureau.

The United States Veterans' Bureau shall reimburse the Navy appropriation or appropriations initially chargeable with the cost of water supply, sewage disposal, fire protection, and any other facilities or utilities furnished by the Naval establishment at Great Lakes, Illinois, at equitable rates, subject to revision from time to time by mutual consent. Until such revision is made, these rates shall be as follows:

(a) For water..... 8¢ per 1000 gallons.

(b) For sewage disposal..... $200.00 per month.

(c) For fire protection..... 35% of cost of operation.
