Executive Order

Under authority of Section 1 of the Act of July 5, 1884 (23 Stat. 103), it is hereby ordered that the lands comprised within the following military reservations in the territory of Alaska, including Signal Corps Stations and rights-of-way, which were reserved for military purposes by the Executive Orders hereinafter designated, the same having become useless for military purposes, be and are hereby placed under the control of the Secretary of the Interior for disposition as provided in the above Act or as may be otherwise provided by law:

DYEA MILITARY RESERVATION. The entire area reserved by Executive Order of December 31, 1898. This reservation is situated near Dyea.

FORT EGBERT. All of the land reserved by Executive Order of June 13, 1899, enlarged by Executive Order of March 31, 1900; reduced by Executive Orders of July 23, 1900, and January 25, 1904, and further modified by Executive Order of March 3, 1906, with the exception of the small tract known as the "Post Cemetery" and that portion to be retained for the use of the Signal Corps, more particularly described as follows:

> Beginning at the intersection of the center of "C" Street, Eagle Townsite, with the left bank of the Yukon River which is known as corner No. 1 of the Townsite of Eagle, Alaska, thence one thousand and eight feet south 68° 03′ west, thence one hundred and seventy feet north 21° 57′ west to corner No. 3 of Signal Corps reservations marked by an iron pipe monument being centered with a tack by means of a wooden plug, thence three hundred feet north 21° 57′ west to corner No. 2 marked by a monument of the same design as at corner No. 3, thence three hundred feet south 68° 03′ west to corner No. 1 marked by a monument of same design as at corner No. 3, thence three hundred feet south 21° 57′ east to corner No. 4 marked by a monument of same design as at corner No. 3, thence three hundred feet north 68° 03′ east to corner No. 3. All directions refer to the true meridian. Fort Egbert is situated at Eagle.

FORT GIBBON. All of the land reserved by Executive Order of July 10, 1899, modified by Executive Orders of July 19, 1905, and July 25, 1908, with the exception of the small tract known as the "Post Cemetery" and that portion to be retained for the use of the Signal Corps, more particularly described as follows:

> Beginning at a point marked by a post three feet high, 6-inch square, being centered with a screw in its top and placed at intersection of the west line of Tanana Townsite and the proposed southern boundary of the Signal Corps reservation, said point of intersection being approximately five hundred eighty-two (582) feet due north of monument at the southwest corner of Tanana, Alaska, Townsite; thence south 83° 30′ east eight hundred (800) feet following north boundary line of S. A. Homestead claim of North American Transportation and Trading Company to corner No. 2 marked by a rough rock monument having letter "U. S.", triangle "M", and number 397 cut in its western face; thence due north one thousand (1,000) feet to corner No. 3 marked by iron pipe monument about three (3) feet high and three (3) inches in diameter, being centered with tack by means of a wooden plug; thence north 83° 30′ west one thousand (1,000) feet to corner No. 4 marked by a monument of same description as said monument at corner No. 3; thence due south one thousand (1,000) feet to corner No. 1 marked by a monument of same design as said monument at corner No. 3; thence south 83° 30′ east two hundred (200) feet to point of beginning. All courses are referred to the true meridian. Fort Gibbon is situated at Tanana.

FORT LISCUM: The entire area reserved by Executive Order of July 18, 1900, as reduced by Executive Order of December 3, 1903. This reservation is situated near Valdez.

FORT LISCUM TARGET RANGE. The entire area reserved by Executive Order of October 26, 1906. This reservation is situated north of Valdez.

POINT CAMPBELL MILITARY RESERVATION. The entire area reserved by Executive Order of April 21, 1914. This reservation is situated at the head of Cook Inlet, between Turnagain and Knik Arms.

POINT MACKENZIE MILITARY RESERVATION. The entire area reserved by Executive Order of April 21, 1914. This reservation is situated on the north side of Cook Inlet, near the mouth of Knik Arm.

POINT SPENCER MILITARY RESERVATION. The entire area reserved by Executive Order of January 23, 1900. This reservation includes the northern end of Point Spencer lying between Port Clarence Bay and Behring Sea.

RUGGED ISLAND MILITARY RESERVATION. The entire area reserved by Executive Order of September 15, 1916. This reservation is on Resurrection Bay about twenty (20) miles south of Seward.

FORT ST. MICHAEL. The area first reserved by Executive Order of October 20, 1897, reduced by Executive Orders of October 27, 1900, and June 8, 1906, but restored by Executive Order of May 16, 1907, to the status given by the Executive Order of October 27, 1900, with the exception of the small tract known as the "Post Cemetery", and the two areas to be retained for the use of the Signal Corps and The Alaska Road Commission, respectively, more particularly described as follows:

Beginning at a point marked by a two inch iron pipe monument being centered with a tack by means of a wooden plug, said point being due west 90 feet from the northwest corner of building No. 39, known as the Hospital Corps Sergeants Quarters at Fort St. Michael, Alaska, thence two hundred and fifty feet north 16° 30′ west to corner number one of Signal Corps reservation marked by a monument of same design as at point of beginning, thence five hundred feet north 73° 30′ east to corner No. 2 marked by a monument of same design as at point of beginning, thence five hundred feet south 16° 30′ east to corner No. 3 marked by a monument of same design as at point of beginning, thence five hundred feet south 73° 30′ west to corner No. 4 marked by a monument of same design as at point of beginning, thence two hundred and fifty feet north 16° 30′ west to point of beginning. All directions refer to the true meridian.

Beginning at a point which is the intersection of the high-water line on St. Michael Bay with a due east and west line through a point 100 feet north of the northwest corner of Building No. 31 at the U. S. Shipyard, Fort St. Michael, Alaska; thence west 500 feet; thence south 500 feet; thence east 500 feet, more or less, to the high-water line; thence northerly along the high-water line to the point of beginning, together with Buildings Nos. 31, 33 & 35 located thereon.

Fort St. Michael is on Norton Sound on the west coast.

FORT WILLIAM H. SEWARD (now Chilkoot Barracks). That portion reserved by Executive Order of April 23, 1909, and described therein as the Clay Reserve. This reservation is situated at Haines, on Chilkat Inlet.

SKAGWAY MILITARY RESERVATION. The entire area reserved by Executive Order of May 21, 1903. This reservation is on the Skagway River, near Skagway.

RIGHTS-OF-WAY AND SIGNAL CORPS STATIONS

The following described portions of the strips of land 100 feet in width reserved for rights-of-way for the United States military telegraph lines by the Executive Order of May 24, 1905, as amended by Executive Order of October 23, 1907, and further amended by Executive Order of September 25, 1913, and also the right-of-way between Fairbanks and Chena, reserved by Executive Order of March 13, 1908, together with the following stations along the rights-of-way so reserved:

(a) THE RIGHT-OF-WAY BEGINNING AT GULKANA AND ENDING AT FORT EGBERT, but not including any portions of the reservations used for Signal Corps purposes at Gakona, Chestochena, Mentasta or Ketchumstock.

NORTH FORK SIGNAL CORPS STATION. Latitude 64° 28′, longitude 142° 10′; reserved by Executive Order of May 24, 1905.

(b) THE RIGHT-OF-WAY FROM FAIRBANKS TO FORT GIBBON, which includes the right-of-way from Fairbanks to Chena above referred to, but not including any portion of the reservations used for Signal Corps purposes at Tolovana and Hot Springs.

CHENA SIGNAL CORPS STATION. Latitude 64° 50′, longitude 148° 00′; reserved by Executive Order of May 16, 1908.

NENANA SIGNAL CORPS STATION. Latitude 64° 40′, longitude 148° 30′; reserved by Executive Order of May 4, 1908.

MINTO SIGNAL CORPS STATION. Latitude 64° 48′, longitude 148° 58′; reserved by Executive Order of January 18, 1908.

(c) THE RIGHT-OF-WAY FROM BAKER TO RAMPART.

EUREKA SIGNAL CORPS STATION. Latitude 65° 00′, longitude 150° 20′; reserved by Executive Order of June 6, 1914.

RAMPART SIGNAL CORPS STATION. Latitude 65° 30′, longitude 150° 15′; reserved by Executive Order of June 15, 1909.

(d) THE RIGHT-OF-WAY FROM FORT GIBBON TO FORT ST. MICHAEL, except that portion of the right-of-way extending between Nulato and Fort St. Michael which was turned over to the Department of the Interior for disposition by Executive Order of March 8, 1921, and not including any portion of the reservation used for Signal Corps purposes at Nulato or any portion of the area to be retained at Fort St. Michael as above described.

BIRCHES SIGNAL CORPS STATION. Latitude 65° 06′, longitude 153° 15′; reserved by Executive Order of May 4, 1908.

KOKRINES SIGNAL CORPS STATION. Latitude 64° 55′, longitude 154° 30′; reserved by Executive Order of May 4, 1908, and enlarged by Executive Order of June 6, 1914.

MELOZI SIGNAL CORPS STATION. Latitude 64° 44′, longitude 155° 28′; reserved by Executive Order of May 4, 1908.

LOUDEN SIGNAL CORPS STATION. Latitude 64° 37′, longitude 156° 35′; reserved by Executive Order of May 4, 1908.

KOYUKUK SIGNAL CORPS STATION. Latitude 64° 54′, longitude 157° 30′; reserved by Executive Order of May 4, 1908.

KALTAG SIGNAL CORPS STATION. Latitude 64° 15′, longitude 158° 40′; reserved by Executive Order of May 4, 1908.

OLD WOMAN SIGNAL CORPS STATION. Latitude 64° 05′, longitude 159° 40′; reserved by Executive Order of September 21, 1905, as amended by Executive Order of August 1, 1907.

UNALAKLIK SIGNAL CORPS STATION. Latitude 63° 45′, longitude 160° 48′; reserved by Executive Order of February 24, 1906.

(e) THE RIGHT-OF-WAY FROM SAFETY HARBOR TO FORT DAVIS.

SAFETY HARBOR SIGNAL CORPS STATION. Latitude 64° 27′, longitude 164° 45′; reserved by Executive Order of September 21, 1905.

The following stations along the right-of-way between Valdez and Fairbanks:

KEYSTONE SIGNAL CORPS STATION. Latitude 61° 04′, longitude 146° 09′; reserved by Executive Order of December 7, 1905.

SAINA SIGNAL CORPS STATION. Latitude 61° 12′, longitude 145° 43′; reserved by Executive Order of May 24, 1905.

HOGAN SIGNAL CORPS STATION. Latitude 62° 44′, longitude 145° 55′; reserved by Executive Order of September 5, 1916.

DELTA SIGNAL CORPS STATION. Latitude 64° 20′, longitude 146° 50′; reserved by Executive Order of May 4, 1908.

COPPER CENTER SIGNAL CORPS STATION. All of the land reserved by Executive Orders of May 24, 1905, and June 6, 1914, with the exception of the following:

Beginning on the left bank of the Klutina River at meander point for Corner No. 6 of the United States Survey No. 837; thence north 56° 30′ east, 7.12 chains to a stone corner; thence north 30° 10′ west, 7.37 chains to a stone corner; thence north 89° 03′ east, 5.79 chains to a stone corner; thence north 1° 23′ west, 9.73 chains to a stone upon the northeast corner of the tract the above traverse being identical with the west boundary of the United States Survey No. 837; thence west on north boundary 24.86 chains to intersection of principal meridian, 15.69 chains north of the ¼ corner between Section 13

and 18, Township 2 N., R. 1 E., and Range 1 West of the Copper River base and principal meridian; thence continuing west on north boundary 5.97 chains to an iron post; thence south on west boundary 20.21 chains to a stone corner on the left bank of the Klutina River; thence following the left bank of the Klutina River, with the meanders of said river down stream to the place of beginning, containing an area of 55.29 acres. Bearings true. Situated in approximate latitude of 54° north and longitude 145° 20′ west.

The Executive Order of April 8, 1910, reserving for defensive purposes the lands described as follows:

> Beginning at a point at the head of Sheep Bay, in approximate latitude 60° 43′ N., longitude 145° 54′ W., from Greenwich; thence due east to the line of longitude 145° 40′ W.; thence due south on the last named line to the north shore of Orca Bay; thence following the lines of Orca, Simpson and Sheep Bays, to the place of beginning; also the three islands in Orca Bay, situate east and west of Hawkins Island, all shown upon a diagram submitted by the War Department and represented upon U. S. Coast and Geodetic Survey chart No. 8520, which islands are designated on said chart as "Observation Island", "North Island" and "Channel Island",

as modified by the Executive Order of July 15, 1910, which excluded from the area above described 296 acres, more or less, and placed the same under the control of the Navy Department for use as a Naval Coaling station and for other purposes of the Navy, the said lands above described having been previously set aside as a part of the Chugach National Forest, is hereby rescinded and the lands and islands reserved thereby for defensive purposes, except the lands placed under the control of the Navy Department by said Executive Order of July 15, 1910, are hereby restored to their former National Forest status.

That part of the Executive Order of April 21, 1914, reserving for military purposes a tract of land near the head of Cook Inlet, between Cook Inlet and Turnagain Arm, known as Point Possession, which tract of land was previously set aside as a part of the Chugach National Forest, is hereby rescinded and the said tract of land is hereby restored to its former National Forest status.

That part of the Executive Order of April 21, 1914, reserving for military purposes all of the area comprising the island known as Fire Island, which area was previously reserved and set apart as a preserve and breeding ground for the Alaska moose, is hereby rescinded and the said area comprising Fire Island is hereby restored to its former status as a preserve and breeding ground for the Alaska moose
