By virtue of the authority vested in me by law, I hereby order that Section 9 of the Executive Order of April 14, 1921, entitled, "Relating to Licensing of Vehicles, Road Rules, Use of Lights, Tags, Signals, and Speed Regulations in the Canal Zone," be amended to read as follows, and that the Amendment shall take effect thirty days from and after its publication in The Panama Canal Record:

Amended
No. 3771

"Sec. 9. Whenever any motor vehicle licensed in the Canal Zone shall, before the period for which the license is taken expires, be sold or transferred by the licensee to some other person who may desire to continue the use and operation of such motor vehicle over the streets and roads of the Canal Zone, such transferee, within 10 days after such sale or transfer, by application to the Executive Secretary, or the official acting under his authority, and upon submission of satisfactory evidence of such purchase or transfer, shall have the license transferred to him by the Executive Secretary, or the official acting under his authority, authorizing such transferee to operate such motor vehicle under such license, upon the payment of transfer fee of $1.00 to the Executive Secretary, or the official acting by his authority, and executing such transfer on forms provided for that purpose in accordance with rules and regulations prescribed by the Governor of The Panama Canal. The license issued to vendor shall be suspended unless the provisions of this section shall be complied with within ten days from the date of sale, and the operation of the motor vehicle under such license in the Canal Zone is prohibited; providing, however, that the license may be transferred from the vendor to the vendee after such suspension upon compliance with the foregoing provisions.

"No new license shall issue to a different owner for a motor vehicle theretofore licensed in the Canal Zone without satisfactory proof of sale and registration by the Executive Secretary or the official acting by his authority. The fee for such registration shall be $1.00, but this shall not be collected at the time of sale if the license is transferred in accordance with the provisions of this section."
