By virtue of the authority vested in me as President of the United States of America, and pursuant to the provisions of Section 9 of the Act of Congress approved on June 7, 1924 (43 Stat., 653), entitled, "An Act To provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of National Forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor," the following described lands which comprise a part of the Fort Missoula Wood and Timber Reservation in the State of Montana, and which, in the opinion of the Secretary of War and the Secretary of Agriculture, are suitable for the production of timber, hereby are established as a National Forest, to wit:

All of that part of the Fort Missoula Wood and Timber Reservation as shown upon the map hereto attached and made a part hereof.

The National Forest hereby created shall be known as the Fort Missoula District of the Missoula National Forest.

The said Fort Missoula District of the Missoula National Forest shall be administered by the Secretary of Agriculture under such rules and regulations and in accordance with such general plans as may be jointly approved by the Secretary of Agriculture and the Secretary of War, for the use, occupation and protection of such lands and for the sale of products therefrom.
