Executive Order

Mrs. Edna Bosier may be appointed to the position of telephone operator in the post office of Dayton, Ohio, without regard to the requirements of the civil service rules.

This Order is issued upon the recommendation of the Postmaster General who states that Mrs. Bosier, who is exceptionally skilled as a telephone operator, has been employed as operator since July 1, 1924, under an allowance for telephone service, as it was thought that such an appointment was permissible without regard to the civil service rules. She is dependent upon her own labor for the support of herself and two small children, her husband being an inmate of the Dayton State Hospital.

The Civil Service Commission does not concur.

Done for charity.
