Executive Order

Mrs. Berenice B. Shelton may be appointed to an appropriate clerical position in the Veterans' Bureau without regard to the requirements of the civil service rules.

Mrs. Shelton is the widow of General George Henry Shelton, of distinguished war service in France, who died November 2, 1920, leaving his widow and minor daughter without adequate means of support.

The Director of the Veterans' Bureau recommends the order. The Civil Service Commission submits the case without prejudice.

In recognition of the distinguished service of Gen. Shelton.
