Executive Order

Mrs. Penelope L. Matthews may be appointed to a clerical position in the classified service without regard to the civil service rules.

Mrs. Matthews is the widow of William Clarence Matthews, formerly Assistant Attorney General, who at death left her without adequate resources. She is a graduate of Tuskegee Institute with several years' experience in educational work. This order is issued upon the statement of the Postmaster General that he would interpose no objection to her appointment in the Post Office Department.

The Civil Service Commission does not concur.

For charity.
