Executive Order

Prescribing fees and mileage to be charged for attempting to serve and for return on process or any order, judgment, or decree of any court.

By authority of law, the following Executive Order is made and declared effective on the date of the signing thereof, to wit:

That Section 813 of the Code of Civil Procedure of the Canal Zone shall be amended by adding thereto the following provisions for fees to be charged for return on and mileage in attempts to serve process, or any order, judgment or decree of any court in civil cases:

(*a*) For each return, one dollar.

(*b*) For mileage going one way in attempting to serve or execute any process, order, judgment or decree of any court, for each mile traveled one way, ten cents.

(*c*) No such fees shall be charged against the United States or The Panama Canal or an officer thereof sued in his official capacity.
