Executive Order

The area of land hereinafter described, to be known as Bruja Point Military Reservation, situated in the Canal Zone, is hereby set apart and assigned to the uses and purposes of a military reservation under the jurisdiction of the Secretary of War; but said area shall be subject to the civil control and jurisdiction of the Governor of The Panama Canal, in conformity with the Panama Canal Act.

The boundaries of said reservation are described as follows:

Beginning at a point where the meridian 79° 36′ intersects the mean low water line at Venado Beach and following along a course of due north along the meridian 79° 36′ for a distance of 8400 feet more or less to a concrete monument marked A, whose geodetic coordinates are 8° 55′ north and 79° 36′ west; thence along a course of due east for a distance of 8708 feet to a concrete monument marked B; thence along a course of S. 45° 00′ E. for a distance of 2710 feet to a concrete monument marked C, which is a point on the western boundary of tract No. 1 of the Palo Seco Leper Colony Reservation; thence along the western boundary of tract No. 1 on a course of S. 13° 30′ W. for a distance of 1412 feet to a concrete monument marked D, which is the southwest corner of tract No. 1 of the Palo Seco Leper Colony Reservation; thence along the southern boundary of tract No. 1 following a course of S. 76° 30′ E. for a distance of 1500 feet more or less to its intersection with the mean low water line near Batele Point; thence along the mean low water line in a southerly and westerly direction to the point of beginning. The area of the reservation, as described, is 1804 acres, plus or minus. All bearings refer to the true north and coordinates to the Panama Colon datum.

The above area is shown on Map of Bruja Point Military Reservation, U. S. Engineer Office, Balboa Heights, C. Z., dated February 18, 1928, revised March 12 and May 24, 1928. File No. 2778.
