C. 279–284), as amended, subject to the requirements of applicable laws.

Commencing at 10:00 a. m. on the 126th day after the date of this order, any lands remaining unappropriated shall become subject to settlement, petition, location, selection or other appropriation by the public generally as may be authorized by the public land laws.

Settlement claims under the homestead laws shall be governed by the regulations contained in Parts 65 and 66, inclusive, of Title 43 of the Code of Federal Regulations, and such claims under the Alaska Home Site Act of May 26, 1934, and the Small Tract Act of June 1, 1938, as amended shall be governed by the regulations contained in §§ 64.6 to 64.10, inclusive, of that title.
