The areas described, including both public and non-public lands, aggregate approximately 218,864 acres.

This order shall be subject to the transmission line withdrawal of August 14, 1930 (Federal Power Commission Project No. 1109), and Executive order of January 24, 1914, creating Public Water Reserve No. 14, so far as such withdrawals affect any of the above-described lands.

This order is subject to the conditions that (1) no firing or movement of vehicles or troops, except for the necessary road crossing, shall be permitted within two miles of the Coachella Canal; (2) that the representatives of the Bureau of Reclamation shall have access to the entire area for the maintenance of its existing structures or for the construction of any additional storm water control features necessary to protect the works of the Bureau; and (3) there shall be no obstruction in the present storm water courses in the area which would interfere with the present natural flow.

This order shall take precedence over but not modify (1) the withdrawal for classification and other purposes by Executive Order No. 6910 of November 26, 1934, as amended, (2) the withdrawal by Executive Order No. 6361 of October 25, 1933, for classification and pending a determination as to the advisability of including certain lands in a national monument, and (3) the withdrawal orders made by the Secretary of the Interior for reclamation purposes of April 2 and 9, 1909, October 19, 1920, and June 4, 1930, so far as they affect the above-described lands.

The jurisdiction granted by this order shall cease at the expiration of the six months' period following the termination of the unlimited national emergency declared by Proclamation No. 2487 of May 27, 1941 (55 Stat. 1647). Thereupon, jurisdiction over the lands hereby reserved shall be vested in the Department of the Interior and any other department or agency of the Federal Government according to their respective interests then of record. The lands, however, shall remain withdrawn from appropriation as herein provided until otherwise ordered.

ABE FORTAS,
Acting Secretary of the Interior.

MAY 29, 1945.
