Title 45—PUBLIC WELFARE

Chapter II—Social and Rehabilitation Service (Assistance Programs), Department of Health, Education, and Welfare

PART 205—GENERAL ADMINISTRATION—PUBLIC ASSISTANCE PROGRAMS

Availability of Agency Program Manuals

Notice of proposed regulations for the programs administered under titles I, IV-A, IV-B, X, XIV, XVI, and XIX of the Social Security Act with respect to the availability of agency program manuals was published in the FEDERAL REGISTER on June 19, 1970 (35 F.R. 10113). After consideration of the views presented by interested persons, certain changes have been made and the proposed regulations, as changed, are hereby adopted:

1. Paragraph (b) of § 205.70 has been changed to require that copies of the policy material be made available upon request to additional custodians based on their interest, function, and accessibility to the welfare public they serve.

2. Paragraph (c) of § 205.70 now specifies that the material to be provided for use and review is policy material.

Chapter II of Title 45 of the Code of Federal Regulations is amended by adding a new § 205.70 as set forth below.

§ 205.70 Availability of agency program manuals.

State plan requirements. A State plan under title I, IV-A, IV-B, X, XIV, XVI, or XIX of the Social Security Act must provide that:

(a) Program manuals and other policy issuances which affect the public, including the State agency's rules and regulations governing eligibility, need and amount of assistance, recipient rights and responsibilities, and services offered by the agency, will be maintained in the State office and in each local and district office for examination or regular workdays during regular office hours by individuals, upon request for review, study, or reproduction by the individual.

(b) (1) A current copy of such material will be made available without charge for access by the public through custodians who (i) request the material for this purpose, (ii) are centrally located and publicly accessible to a substantial number of the recipient population they serve, and (iii) agree to accept responsibility for filing all amendments and changes forwarded by the agency.

(2) Under this requirement the material, if requested, must be made available without charge to public or university libraries, the local or district offices of the Bureau of Indian Affairs, and welfare or legal services offices or organizations. The material may also be made available, with or without charge, to other groups and to individuals. Wide availability of agency policy materials is recommended.

(c) Upon request, the agency will reproduce without charge the specific policy materials necessary for an applicant or recipient, or his representative, to determine whether a fair hearing should be requested or to prepare for a fair hearing; and will establish policies for reproducing policy materials without charge, or at a charge related to cost, for any individual who requests such material for other purposes.
