**§ 258.19 Applications for permits.**

(a) Applications for special land use permits must be executed in duplicate on Form 4–972. Each application must contain a sufficient recital of the facts relative to the advertising display, including its size, and lighting effect, if any, to enable its substantial construction from the description. A sketch or photograph showing the display, and a photograph showing the location on which it is to be placed, must be furnished. The application must identify the highway along which it is proposed to erect the display and must give the distance and direction of the site, measured by highway travel, to the nearest cities or towns. If the land on which it is desired to place the display has been surveyed, its description must be given in terms of the public land surveys. (a) All applications for special land use permits for erection and maintenance of advertising displays or renewal thereof, where the applicant is an individual, corporation, or association, must be accompanied by an application service fee of $10 which will not be returnable. No charge will be made for applications by agencies of the Federal Government, or agencies of the States and political subdivisions thereof.

(b) The annual charges for advertising displays erected and maintained under permit by individuals, associations, and corporations, other than nonprofit organizations, shall be the annual fair rental value of the privilege. The annual charges for advertising displays erected and maintained under permit by State and local governments and their instrumentalities and by nonprofit organizations shall take into consideration the public purposes which the displays would serve. No annual charge will be made for advertising displays erected and maintained under permit by Federal agencies.

(c) The annual charges must be paid in advance for such periods as may be specified by the authorized officer. Where a permit is canceled before its expiration, a proportionate refund of the charges will be made.

**§ 258.21 Permits.**

Special land-use permits to erect and maintain advertising displays on the public lands will be issued on Form 4–972 by the authorized officer, in his discretion, for such period as he may deem reasonable in the circumstances. The permits will be revocable in the discretion of the authorized officer at any time.

**§ 258.22 Renewals.**

All the general provisions of the special land-use permit regulations of this part not inconsistent with the special provisions relating to permits for advertising displays are applicable to such permits.
