Sec. 34, lot 10.

Containing 39.73 acres.

2. In DA–537 et al., supra, the Federal Power Commission determined that the value of the following-described lands would not be injured or destroyed for purposes of power development by location, entry, or selection under the public land laws, subject to the provisions of section 24 of the Federal Power Act, as amended:

BOISE MERIDIAN

T. 9 S., R. 16 E.,
Sec. 24, lot 6.
T. 9 S., R. 17 E.,

Sec. 31, lots 4 and 5.

Containing 404.43 acres.

3. The lands are on or near the rim of the Snake River Canyon in Jerome County, Idaho. Vegetative cover consists of a sparse stand of native bluegrass and cheatgrass. Soils are a shallow, sandy silt loam on those areas lying on the canyon floor, and are nonexistent on the steep slope.

4. Until 10:00 a.m. on March 27, 1962, the State of Idaho shall have (1) a preferred right of application to select the lands in accordance with subsection (c) of section 2 of the Act of August 27, 1958 (72 Stat. 928; 43 U.S.C. 851, 852), and (2) a preferred right to apply for the reservation to it or to any of its political subdivisions, under any statute or regulation applicable thereto, of any of the lands required for a right-of-way for a public highway or as a source of materials for the construction and maintenance of such highways, in accordance with the provisions of section 24 of the Federal Power Act.

5. This order shall not otherwise be effective to change the status of the lands until 10:00 a.m. on March 27, 1962. At that time the lands shall be open to the operation of the public land laws generally subject to valid existing rights and equitable claims, the requirements of applicable law, rules and regulations, and the provisions of any existing withdrawals.

6. The lands have been open to applications and offers under the mineral leasing laws, and to location under the United States mining laws subject to the provisions of the Act of August 11, 1955 (69 Stat. 682; 30 U.S.C. 621).

7. Any disposals of the lands described in Paragraph 2 of this order shall be subject to the provisions of section 24 of the Federal Power Act, supra.
