TITLE 49—TRANSPORTATION AND RAILROADS

Chapter I—Interstate Commerce Commission

[Rev. S. O. 394]

PART 95—CAR SERVICE

FREE TIME REDUCED ON REFRIGERATOR CARS AT PORTS

At a session of the Interstate Commerce Commission, Division 3, held at its office in Washington, D. C., on the 12th day of September A. D. 1947.

It appearing, that there is a shortage of refrigerator cars and that free time published in tariffs for loading and unloading such cars at ports aggravates the shortage thereof; in the opinion of the Commission an emergency exists requiring immediate action at all ports: it is ordered, that no common carrier by railroad, subject to the Interstate Commerce Act, shall:

§ 95.394 *Free time on refrigerator cars*—(a) *Free time reduced.* Allow, grant or permit more than 5 days free time (computed in accordance with applicable tariff provisions) on refrigerator cars held for loading or unloading in coastwise, intercoastal or foreign commerce at the point of transshipment from car to vessel or vessel to car or when held short of such transfer point. The provisions of this paragraph shall not be construed to require or permit the increase of the free time published in tariff lawfully on file with this Commission.
