In the judgment of the Temporary Controls Administrator, these amendments are necessary and proper in order to effectuate the purposes of the Emergency Price Control Act.

No provisions which might have the effect of requiring a change in established rental practices have been included in the amendments unless such provisions have been found necessary to achieve effective rent control and to prevent circumvention or evasion of the rent regulations and the act. To the extent that the provisions of these amendments compel or may operate to compel changes in established rental practices, such provisions are necessary to prevent circumvention or evasion of the rent regulations and the act.
