WAR DEPARTMENT, SR 20.

May 8, 1905.

Respectfully submitted to The President.

By Executive Order of March 22, 1905, certain subdivisions of the public lands in Minnesota were reserved for flowage purposes in connection with the construction, operation and maintenance of the

reservoirs at the head waters of the Mississippi River.

Through a clerical error the order was made to include the "SE 1/4 SW 1/4, Sec. 2, T. 145 N., R. 32 W, 5th P.M.," instead of the SE 1/4 of NW 1/4 of same section, as intended. The land thus erroneously included is embraced in Homestead Entry No. 21190, made by Louis Zeph at St. Cloud, Minnesota, February 13, 1900.

It is, therefore, recommended that the said Executive Order of March 22, 1905, be cancelled so far as it relates to the SE 1/4 of SW 1/4 of said section 2, and that the SE 1/4 of NW 1/4 of same section be withdrawn from sale or other disposition and reserved for the purposes specified in said order.

Secretary of War.

The White House,
May , 1905.

The foregoing recommendation of the Secretary of War is approved; and the Executive Order of March 22, 1905, is amended accordingly.
