Executive Order.

In the matter of the compensation for the members of the commission to investigate questions pertaining to the issuance of stocks and bonds by railroad corporations, appointed by the President, under and by virtue of Section 16 of the Act of June 18, 1910, (36 Stat. 556) entitled, "An act to create a Commerce Court and to amend the act entitled 'An Act to regulate commerce', approved February 4, 1887, as heretofore amended and for other purposes", I hereby order and direct that there shall be awarded to Arthur T. Hadley, Frederick N. Judson and Frederick Strauss as compensation for their services upon the above named commission, $2,000 each, and that there shall be awarded to Walter L. Fisher and Balthasar H. Meyer the sum of $1,500 each for their services as members of such commission. The difference in the amounts thus awarded is due to the fact that during a part of the time when these services were rendered by Mr. Fisher and Mr. Meyer, they were serving as regular officers of the Federal Government and receiving an annual salary therefor.
