2129

Executive Order.

By virtue of the authority vested in me by the Act of Congress approved March 12, 1914, entitled "An Act to authorize the President of the United States to locate, construct, and operate railroads in the Territory of Alaska, and for other purposes," I hereby direct that the work of the Alaskan Engineering Commission in completing the survey of routes for said railroads be performed under the supervision and control of the Department of the Interior, as directed by the head thereof, in all respects and to all intents and purposes the same as if said work had been placed by law under the jurisdiction and control of the Department of the Interior.

WOODROW WILSON

THE WHITE HOUSE,
26 January, 1915.
