2255

Executive Order.

Mrs. S. Louise Wilkerson, may be appointed to a position in the classified service of the Government without reference to the civil service rules.

Mrs. Wilkerson has passed various civil service examinations, and has been employed as temporary clerk in several of the Executive Departments. She was employed in connection with the work of the Thirteenth Census from August 10, 1910 until December 31, 1911, at which time her services were terminated because of the necessity for reducing the force. Her record was entirely satisfactory. The Secretary of the Treasury recommends that an Executive Order be issued authorizing her appointment.

The Civil Service Commission does not concur in the recommendation.

WOODROW WILSON

THE WHITE HOUSE,
14 October, 1915.

[No. 2255.]
