Temporary

2977

Executive Order.

WHEREAS, The wharf located at the foot of 7th Street S. W., used by the Norfolk and Washington Steamboat Company, recently destroyed by fire, was utilized for the purpose of carrying freight of the United States Government necessary to the efficient conduct of the war against the German Government;

WHEREAS, There is no other wharf permanently available for the use of the Norfolk and Washington Steamboat Company and because of this it has been found necessary to temporarily use the wharf of the Lighthouse Board of the Treasury Department, thus causing considerable inconvenience to that branch of the Government; and

WHEREAS, The Commissioners of the District of Columbia have declared the reconstruction of this wharf an emergency matter relating to the conduct of the present war, and have requested that the eight hour law governing the employment of laborers and mechanics necessary to the reconstruction of said wharf be suspended;

THEREFORE, Be it ordered, that I, Woodrow Wilson, President of the United States, do hereby declare that the reconstruction of the said wharf of the Norfolk and Washington Steamboat Company is an emergency matter relating to the conduct of the war, and is hereby excepted from the provisions of the eight hour law governing the employment of laborers and mechanics in connection therewith.

PROVIDED, however, that pay be allowed to those entitled thereto in the reconstruction of the said wharf with compensation of time and a-half for over time work spent upon said construction.

WOODROW WILSON

THE WHITE HOUSE,
19 October, 1918.

[No. 2977.]

Sabo Eight hour Law
