3179

Executive Order

transferring to the service and jurisdiction of the Navy Department certain land buildings and improvements of the United States Shipping Board Emergency Fleet Corporation.

In accordance with the authority vested in me by the "Act, for the national security and defense,—for the better utilization of resources and industries,—and for other purposes" approved May 20, 1918, it is hereby directed that the following described tract of land together with all existing buildings and improvements thereon, exclusive of such machinery equipment and material that is not required by the Marine Corps, be transferred by the United States Shipping Board Emergency Fleet Corporation to the Navy Department of the United States for use of the Marine Corps:

Tract No. 1:

Land for the permanent United States Marine Corps Advanced Base, Quantico, Va.

All of that certain tract of land situate, lying and being in Prince William County in the state of Virginia at and near Quantico, Va., being all of that certain tract of land buildings and improvements known as the Missouri Valley Bridge and Iron Company shipyard, containing 55.315 acres, together with all rights of way, riparian and other rights, privileges, and easements whatsoever appurtenant or appertaining in any way to said above described tract of land, which said tract of land is definitely described as follows:

Beginning for the same at a point in the east line of Broadway, 96.20 feet northeastwardly of the corner of Broadway and Second Avenue, section "A" Quantico, Virginia, and running thence on the same line of Broadway, North 37 degrees, 33 minutes East 112 feet to the North bank of Little Creek; thence North 38 degrees, 38 minutes West 237.65 feet; thence North 21 degrees, 39 minutes West 234.3 feet to the East line of the R. F. & P. or Washington Southern Railroad right of way; thence with said right of way, North 43 degrees, 33 minutes West 9.40 feet to the corner of lot 85 as shown on the old plat of Carborough (Carboro); thence with the line of said lot 85 and of lot 72, North 40 degrees, 24 minutes East 298 feet; thence with the North line of lot 72, North 49 degrees; 36 minutes West 57 feet to the right side of the right of way of the Old Potomac Railroad (now R. F. & P. or Washington Southern Railroad); thence with said right of way, North 58 degrees, 24 minutes East 103.38 feet, being a chord of a 10 degree curve bearing to the right; thence with the lines of lots 59, 58 and 51, South 49 degrees, 36 minutes East 156.37 feet; thence North 40 degrees, 24 minutes East 202.75 feet to the right side of the right of way of the Old Potomac Railroad; thence with the said right of way North 65 degrees, 41 minutes East 214.38 feet, being a chord of a 10 degree curve, bearing to the left; thence with lots 38 and 39 South 49 degrees, 36 minutes East 106.19 feet; thence North 40 degrees, 24 minutes East 330 feet; thence North 49 degrees, 36 minutes West 61.63 feet to the right side of the Old Potomac Railroad right of way; thence with the same North 59 degrees, 45 minutes East 70 feet to the property line of lot 23, being a chord of a ten degree curve bearing to the right; thence with lots 23, 22 and 21 South 49 degrees, 36 minutes East 170.26 feet; thence North 40 degrees, 24 minutes East 213.32 feet to the right side of the right of way of the Old Potomac Railroad; thence with said railroad line, South 86 degrees, 50 minutes East 160 feet to the South shore of Quantico Creek; thence with said Creek, the following courses and distances; South 59 degrees, 14 minutes East 162.55 feet; South 88 degrees, 10 minutes East 200 feet North 71 degrees, 07 minutes East 300 feet to the junction of Quantico Creek and the Potomac River; thence with said Potomac River to the South line of Little Creek; thence still with the River shore South 65 degrees, 37 minutes West 47.58 feet at which point the lines leave the river's low water line and following along the Little Creek and about 50 feet South-

wardly therefrom North 13 degrees, 17 minutes West 121.35 feet; thence North 47 degrees, 00 minutes West 567.25 feet; thence North 47 degrees West 127 feet; thence North 43 degrees 57 minutes West 309.29 feet to the point of beginning.

The tract of land above described together with all existing buildings and improvements thereon, exclusive of such machinery equipment and material that is not required by the Marine Corps, and all rights and privileges appurtenant and appertaining in any way thereto are hereby declared to be and the same are transferred and set apart for the Navy Department of the United States for use of the Marine Corps and are placed under the control of the Secretary of the Navy who is hereby authorized and directed to take immediate possession thereof in accordance with the terms of said Act on behalf of the United States for the purposes aforesaid.

The title to the tract above described shall be deemed to be vested in the United States of America as represented by the Secretary of the Navy, as of the date that actual possession is taken by the Secretary of the Navy.

WOODROW WILSON

THE WHITE HOUSE,
25 November, 1919.

[No. 3179.]
