3224

Executive Order.

In pursuance of the authority conferred upon the President of the United States by Section 2 of the Act approved August 18, 1914, entitled "An Act to provide for the admission of foreign-built ships to American registry for the foreign trade, and for other purposes," it is hereby ordered:

1. That the provisions of law prescribing that the watch officers of vessels of the United States shall be citizens of the United States are hereby suspended so far and for such length of time as will permit alien watch officers who now hold United States provisional licenses, and who heretofore have declared their intention to become citizens of the United States, to serve on American vessels engaged in the foreign trade, until three years and three months shall have elapsed after the date of making their respective declarations.

2. That all executive orders heretofore issued suspending the provisions of law prescribing that all watch officers of vessels of the United States shall be citizens of the United States are hereby revoked.
