# Executive Order

AUTHORIZING THE ALIEN PROPERTY CUSTODIAN TO SELL CERTAIN PROPERTY AT PRIVATE SALE.

---

By virtue of the authority vested in me by an act of Congress entitled "An Act to define, regulate, and punish trading with the enemy and for other purposes", approved October 6, 1917, known as the "Trading with the Enemy Act" and the amendment to such Act embodied in "An Act making appropriations to supply urgent deficiencies in the appropriations for the fiscal year ending June 30, 1918, and prior fiscal years on account of war expenses and for other purposes", approved March 28, 1918, and the amendment to such Act embodied in "An Act making appropriations to supply deficiencies in appropriations for the fiscal year ending June 30, 1919, and prior fiscal years on account of war expenses, and for other purposes", approved November 4, 1918, to make certain orders such as herein contained, I hereby, in the public interest, make the following determination, order, rule and regulation:

amended / No. 3263

The Alien Property Custodian is hereby authorized to sell at private sale, at such time and place, and upon such terms and conditions as to him or his authorized agent may seem advisable, without public or other advertisement, to the SECURITY TRUST COMPANY of Hartford, Connecticut, as syndicate manager for divers individuals, firms and corporations in interest, whose names, together with the interest of each, are listed and set forth in the schedule which is attached hereto and made a part hereof, certain property described as follows:

4505 shares of the capital stock of the First Reinsurance Company of Hartford, a corporation of the State of Connecticut, out of a total issue of 5000 shares, of the par value of $100 each.

My reasons for the foregoing determination, order, rule and regulation are:

(a) The said shares of stock have been thrice offered at public auction and no satisfactory bid has been received; a further attempted sale at auction would be a useless formality and would involve unnecessary expense, delay and inconvenience, which should be avoided;

(b) This sale will enable the Company to continue in operation, thereby conserving its public usefulness as an American agency for reinsurance; and

(c) A firm offer of $788,375.00 for said 4505 shares has been made to the Alien Property Custodian by the Security Trust Company, as aforesaid. Sufficient evidence has been furnished me that the offer is adequate as to price and satisfactory as to the character of the persons, firms and corporations comprising the syndicate.

Done in the District of Columbia this 16th day of April, in the year of our Lord one thousand nine hundred and twenty and of the independence of the United States of America the one hundred and forty-fourth.
