Executive Order

Under authority of the Act of Congress approved June 30, 1882 (22 Stat. L., 121), which prescribes that the Army and Navy General Hospital at Hot Springs, Arkansas, "shall be subject to such rules, regulations, and restrictions as shall be provided by the President of the United States," the following amendments are hereby made to the rules and regulations prescribed for the government of the said hospital by Executive Order of August 25, 1892, as amended by later orders, viz:

Superseded by
No 3723

(1) The rations of enlisted men of the Army on the active list while under treatment and the rations of members of the Nurse Corps while on duty in the hospital will be commuted at the rate of 75 cents a ration to be paid to the commanding officer of the hospital by the post quartermaster or such officer of the Quartermaster Corps as may be designated, conformably to the regulations governing the subsistence of patients and nurses at other Army hospitals.

(2) Since there is no issuing quartermaster at this post, and rations in kind can not in any case be economically issued, the rations of the enlisted men of the Army on duty at this hospital will be commuted at the rate of 75 cents a ration, to be paid to the men by the quartermaster upon their individual receipts, conformably to the regulations governing such payments in other Army cases.

(3) The subsistence of enlisted men of the Navy and Marine Corps on the active list under treatment in this hospital in pursuance of orders will be paid for to the commanding officer of the hospital at the rate of 75 cents a day by the proper officer of the Navy Department, upon monthly statements of amounts due certified by the Surgeon General of the Army to the Surgeon General of the Navy through the prescribed channels.

(4) Subsistence charges will be collected from pay patients as follows:

Enlisted men of the Army, the Navy and the Marine Corps on the retired list, honorably discharged soldiers and sailors of the Army and Navy of the United States (including National Guard forces, Naval Militia, volunteers, and drafted or selected men, in the service of the United States), and former officers of the Army, the Navy, and the Marine Corps subsisted on the status of enlisted men, at 85 cents a day.

Military and naval cadets at $1 a day.

Officers of the Army, the Navy, and the Marine Corps on the active list, officers of the Army, the Navy, and the Marine Corps on the retired list, former officers of the Army, the Navy and the Marine Corps subsisted on the status of officers, officers of the Coast Guard, and officers of the Public Health Service, at not exceeding $1.50 a day.

(5) Medicine charges will be collected at 25 cents a day from pay patients as follows:

Honorably discharged soldiers and sailors of the Army and Navy of the United States, former officers of the Army, the Navy and Marine Corps, officers of the Coast Guard and officers of the Public Health Service.

(6) In the cases of patients admitted upon account of the Bureau of War Risk Insurance, the Public Health Service, the United States Employees' Compensation Commission, or other branch of the federal government, subsistence charges at 85 cents a day for those on the status of enlisted men, and at not exceeding $1.50 a day for those on the status of officers, and medicine charges at 25 cents a day for those in either status, will be billed by the commanding officer of the hospital direct to the service chargeable. No other charges will be billed or collected in these cases.

(7) Collections arising from subsistence charges will be taken up and accounted for as hospital fund. Proceeds of medicine charges will be deposited in the Treasury of the United States to the credit of the proper appropriations and be accounted for in due form accordingly.
