Executive Order

WENATCHEE—CHELAN NATIONAL FORESTS WASHINGTON

It is hereby ordered, under authority of the Act of Congress approved June 4, 1897 (30 Stat., 11 at 34, 36), and upon recommendation of the Secretary of Agriculture, that on and after July 1, 1921, the lands in the portion of the Chelan National Forest lying south and west of the hydrographic divide between the Entiat River and Lake Chelan or its tributaries shall be transferred to the Wenatchee National Forest, Washington, and administered as a part thereof.

See No. 6331

It is intended by this order, for economy of administration, to merge into the Wenatchee National Forest on July 1, 1921, the above-described area now within the Chelan National Forest, and the boundaries of the Wenatchee National Forest shall on and after said date be modified accordingly.

WOODROW WILSON

THE WHITE HOUSE,
