Executive Order

AMENDING THE PROVISIONS OF THE EXECUTIVE ORDER OF AUGUST 8, 1918, CONCERNING TRAVEL BETWEEN THE UNITED STATES AND NEIGHBORING COUNTRIES, AND AUTHORIZING THE REQUIREMENT OF CREW LISTS.

By virtue of the authority vested in me by the Act of Congress approved the twenty-second day of May, one thousand, nine hundred and eighteen, entitled, "An Act to Prevent in Time of War Departure From and Entry into the United States Contrary to the Public Safety," and with reference to the Presidential Proclamation and Executive Order of August eight, one thousand, nine hundred and eighteen, adopted in pursuance thereof, I hereby prescribe the following amendments to said Executive Order:

repeals W. 4027

I.

Canada, Newfoundland, Bermuda, the Bahama Islands, St. Pierre and Miquelon.

1. Citizens of Canada, Newfoundland, Bermuda, and the Bahama Islands, or British subjects domiciled therein (but not merely passing through in transit), shall not be required to present passports, identity cards, permits or similar documents in entering the United States directly from any one of the countries above specifically mentioned. If they arrive from countries other than those above mentioned, however, passports and visas are required.

2. Citizens of St. Pierre and Miquelon or citizens of France domiciled therein (but not merely passing through in transit), shall not be required to present passports, identity cards, permits, or similar documents in entering the United States directly from St. Pierre and Miquelon or from any of the other countries mentioned in the preceding paragraph. If they arrive from countries other than those mentioned, however, passports and visas are required.

3. Aliens of any nationality, who are regularly domiciled in the United States, but who have proceeded to Canada, Newfoundland, Bermuda, the Bahama Islands, St. Pierre or Miquelon, and who return directly from any one of these countries to the United States within six months of their departure, also are not required to present passports or similar documents or visas.

4. All other aliens than those mentioned in paragraphs 1, 2, and 3, entering the United States from Canada, Newfoundland, Bermuda, the Bahama Islands, St. Pierre and Miquelon are required to present duly visaed passports.

5. The issue of Border Permit Cards to aliens either for departure from the United States, or for entry therein, through Canadian Border Ports, is hereby discontinued.

II

Mexico.

1. On and after July 1, 1921, citizens of Mexico desiring to enter the United States through Mexican Border ports, may do so without presenting to the Control Officers at Border Ports any travel document whatsoever, provided such persons have been residents of the forty mile border zone for a period of one year or more and are otherwise admissible, and that such persons are known to the United States Immigration Officials. If such persons are unknown to the United States Immigration Inspectors they will be required to present proof, satisfactory to the Immigration Officers, that they are bona fide residents of the forty mile zone.

2. Aliens of any nationality, who are regularly domiciled in the United States, but who have proceeded from the United States to the forty-mile border zone of Mexico, and who return directly therefrom to the United States within six months of their departure, require no passports or visas.

3. All other aliens, as well as Mexicans residing without the forty-mile border zone, desirous of entering the United States from Mexico, will be required to present passports duly visaed by consular officers of the United States.

III

Crew Lists.

1. Masters of vessels of all nationalities sailing for a port of the United States of America or of any of its possessions, except the Panama Canal Zone, must submit for visa a list of all of the alien members of the vessel's crew to the American consular officer at the port from which the vessel commences its voyage. If there is no American consular officer stationed at that port, the crew list should be submitted at the first port of call (if the vessel touches at any other port) where an American consular officer is located. This does not refer to consular agents, who are not authorized to visa crew lists.

2. When a vessel sails from a port where no American Consul is stationed, but which is within a few hours reach by mail of an American Consulate, so that unreasonable delay and serious loss would not result from referring the crew list to such Consulate, it should be referred thereto for visa.

3. If an alien seaman whose name is not included in a visaed crew list arrives at a port of the United States he shall not be allowed to land except upon the permission of the Secretary of State.
