Executive Order

Under authority of the Act of Congress approved June 30, 1882 (22 Stat. L., 121), which prescribes that the Army and Navy General Hospital at Hot Springs, Arkansas, "shall be subject to such rules, regulations, and restrictions as shall be provided by the President of the United States," the following amendments, effective July 1, 1922, are hereby made to the rules and regulations prescribed for the government of the said hospital by Executive Order of August 25, 1892, as amended by later orders, viz:

1. This hospital shall be devoted to the treatment of the personnel indicated below:

(a) Beneficiaries of the United States Veterans' Bureau entitled to hospitalization, except women, upon the requests of the proper representatives thereof.

(b) Officers, commissioned warrant officers, warrant officers, and enlisted men of the Army, the Navy, and the Marine Corps, on the active lists, Army Field Clerks (male), Field Clerks Quartermaster Corps, (male), and cadets at the Military Academy and midshipmen at the Naval Academy, subject to such rules as may be prescribed by the War and Navy Departments respectively.

(c) Officers and enlisted men of the Coast Guard, and officers of the Public Health Service, on the active lists, and cadets and cadet engineers of the Coast Guard, under such rules as may be prescribed by the Treasury Department; and officers and enlisted men of the Coast and Geodetic Survey, on the active lists, under such rules as may be prescribed by the Department of Commerce.

(d) Officers, commissioned warrant officers, warrant officers, pay clerks, and enlisted men of the Army, the Navy, the Marine Corps, the Coast Guard, and the Coast and Geodetic Survey, and officers of the Public Health Service, on the retired lists or the equivalent thereof, under such rules as may be prescribed by the Secretary of War.

(e) Honorably discharged officers, commissioned warrant officers, warrant officers, Army Field Clerks (male), Field Clerks Quartermaster Corps (male), cadets, cadet engineers and enlisted men of the Army, the Navy, the Marine Corps (including National Guard Forces, Naval Militia, volunteers and drafted or selected men in the service of the United States), the Coast Guard and the Coast and Geodetic Survey, and honorably discharged officers of the Public Health Service, under such conditions and regulations as may be prescribed by the Secretary of War.

(f) When practicable, and for a reasonable time, under such conditions as may be prescribed by the Secretary of War, male civilians employed by the United States in Hot Springs and its vicinity who sustain personal injuries while in the performance of duty.

2. The rations of enlisted men of the Army on the active list while under treatment in the hospital will be commuted at the rate of 60 cents a ration to be paid to the commanding officer of the hospital by the post finance officer or such other officer as may be designated, conformably to the regulations governing the subsistence of enlisted patients at other Army hospitals.

3. Since there is no issuing quartermaster at this post, and rations in kind can not in any case be economically issued, the rations of the enlisted men of the Army on duty at this hospital will be commuted at the rate of 60 cents a ration, to be paid to the men by the finance officer upon their individual receipts, conformable to the regulations governing such payments in other Army cases.

4. The subsistence of enlisted men of the Navy, Marine Corps, Coast Guard, and Coast and Geodetic Survey, on the active lists, under treatment in this hospital in pursuance of orders, will be paid for to the commanding officer of the hospital at the rate of 60 cents a day by the proper officers of the Navy Depart-

ment, Coast Guard, and Coast and Geodetic Survey, upon monthly statements of amounts due certified by the commanding officer of the hospital direct to the Surgeon General of the Navy, the Captain Commandant of the Coast Guard, and the Director of the Coast and Geodetic Survey, respectively.

5. The subsistence of members of the Nurse Corps on duty in this hospital will be paid for by them monthly to the commanding officer of the hospital at the rate of 60 cents a day.

6. Subsistence charges will be collected from other pay patients as follows:

Enlisted men of the Army, Navy, Marine Corps, Coast Guard, and Coast and Geodetic Survey, on the retired lists, and honorably discharged officers, commissioned warrant officers, warrant officers, Army Field Clerks, Field Clerks Quartermaster Corps, cadets, midshipmen, cadet engineers, and enlisted men of the Army, the Navy, the Marine Corps (including National Guard forces, Naval Militia, volunteers, and drafted or selected men, in the service of the United States), the Coast Guard, and the Coast and Geodetic Survey, and honorably discharged officers of the Public Health Service, subsisted on the status of enlisted men, at 85 cents a day.

Military and naval cadets, midshipmen, and cadets and cadet engineers of the Coast Guard, at 80 cents a day.

Officers, commissioned warrant officers, warrant officers, Army Field Clerks, Field Clerks Quartermaster Corps, and Pay Clerks, of the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey, and Public Health Service, and honorably discharged officers, commissioned warrant officers, warrant officers, Army Field Clerks, Field Clerks Quartermaster Corps, cadets, midshipmen, cadet engineers, and enlisted men, of the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey and Public Health Service, subsisted on the status of officers, at not exceeding $1.50 a day.

7. Medicine charges will be collected at 25 cents a day from pay patients as follows:

Honorably discharged officers, commissioned warrant officers, warrant officers, Army Field Clerks, Field Clerks Quartermaster Corps, cadets, midshipmen, cadet engineers and enlisted men of the Army, Navy, Marine Corps, Coast Guard, Coast and Geodetic Survey, and Public Health Service.

8. In the cases of patients admitted upon account of the United States Veterans' Bureau, subsistence charges at 85 cents a day will be billed and submitted with W. D. Form No. 351 properly accomplished, by the commanding officer of the hospital direct to the local finance officer for settlement by check. Other expenses of Veterans' Bureau patients will be adjusted between the appropriations concerned in conformity with orders issued by the Secretary of War from time to time.

9. In the cases of patients admitted upon account of the United States Employees' Compensation Commission, subsistence charges at 85 cents a day for those on the status of enlisted men, and at not exceeding $1.50 a day for those on the status of officers, and medicine charges at 25 cents a day for those in either status, will be billed by the commanding officer direct to the Commission. No other charges will be billed or collected in these cases.

10. Collections arising from subsistence charges will be taken up and accounted for as hospital funds. Collections arising from medicine charges will be turned over, on War Department Form No. 322a, to the nearest disbursing or agent officer for deposit with the Treasurer of the United States to the credit of the proper appropriations, which will be designated on W. D. Form No. 322a, and accounted for in due form accordingly.
