4112

Executive Order

Pursuant to Section 9 of the Act of Congress approved August 29, 1916 (39 Stat. 547), entitled "An Act to declare the purpose of the people of the United States as to the future political status of the people of the Philippine Islands, and to provide a more autonomous government for those islands", the Mariveles Military Reservation, situate in the Province of Bataan, Island of Luzon, Philippine Islands, as declared by Executive Order dated March 14, 1904, is hereby enlarged by adding to the reservation, certain adjoining lands, the property of the United States, subject to private rights if any there be, the reservation so enlarged being described as follows:

> All those lands situated on the north side of the entrance to Manila Bay, in the Province of Bataan, Island of Luzon, lying south of a line starting at the ocean in the town of Bagac, at the mouth of the Bagac River, thence following the Bagac River to the confluence of the Dauana River upstream a distance of about seven hundred feet to the crossing of the northerly or main Bagac-Balanga trail, thence following said Bagac-Balanga trail in a northeasterly direction to the crossing at the confluence of the Bacung and Maldica or Tiawir Rivers, thence following a trail southward to where the same crosses the Talisay or Pantingan River, all as shown on map of Military Survey of Luzon, confidential, Sheet No. 31 H, thence in an easterly direction following the southern boundary of the Pilar Cadastral Survey, as shown on plan filed as General Land Registration Office Record No. 166 and No. 8411, to the intersection of such boundary with the southern boundary of Orion Irrigation Cadastral Survey No. 6, at the Tala River, as shown on Boundary Plan of such survey approved by the Director of Lands, August 15, 1911, thence in an easterly direction following the southern boundary of said Orion Irrigation Cadastral Survey to the waters of Manila Bay at the mouth of the San Vicente River, together with all islands contiguous to the land thus described.

CALVIN COOLIDGE

THE WHITE HOUSE,
