Executive Order

The Executive Order (No. 1237) of August 15, 1910, reserving for naval purposes the following described area of land on Cordova Point, Prince William Sound, Alaska:

> Beginning at a point on the east bank of Orca Inlet represented upon the United States Coast and Geodetic Survey Chart No. 8520 in red ink lines, N. 69° 30′ W. true, 2180 feet from a Bench Mark of said survey and shown on said chart in approximate longitude 145° 57′ W., and latitude 59° 27′ N., thence in a southerly and easterly direction following the line of Orca Inlet to the Bench Mark, thence easterly continuing along said shore line to a point on the north shore of a creek N. 16° 30′ E., true, 2600 feet from said bench mark, thence westerly in a straight line to the place of beginning, containing about eighty-two (82) acres.

which area was previously reserved and set aside as a part of the Chugach National Forest, is hereby rescinded and the said area reserved thereby for naval purposes is hereby restored to its former National Forest status.

CALVIN COOLIDGE

THE WHITE HOUSE,
April 15, 1925.

[No. 4204]
