Executive Order

Mrs. Berthe T. R. Gilchrist may be reinstated in the classified civil service without regard to the length of her separation from the service.

This order is issued upon the recommendation of the Attorney General and the United States Attorney for the District of Columbia, who state that Mrs. Gilchrist is the widow of William Gilchrist, deceased, late Assistant United States Attorney for the District of Columbia, and that she formerly had a classified status in the civil service.

The Civil Service Commission submits the order without prejudice but is without authority to recommend its issuance.

Done for charity.
