Executive Order

Pursuant to authority contained in Section 4 of the Act of Congress approved May 26, 1906, relating to punishments in the Revenue-Cutter Service, and extended by Section 2 of the Act of Congress approved January 28, 1915, to the United States Coast Guard, the Secretary of the Treasury is authorized to make the necessary arrangements with the Secretary of the Navy so that any naval prison may be designated as the place of execution of the sentence of a Coast Guard court involving imprisonment.

The Secretary of the Treasury is further authorized to make the necessary arrangements with the Secretary of the Navy for the confinement of members of the personnel of the Coast Guard in naval brigs, receiving ships, or prisons, for safe-keeping, pending final disciplinary action in their cases.

Pursuant to the proviso, namely, "That no provision of this Act shall be construed as giving any officer of either the Coast Guard or the Navy, military or other control at any time over any vessel, officer, or man of the other service except by direction of the President," contained in Section 1 of the Act of Congress approved January 28, 1915, it is directed that persons belonging to the Coast Guard who are imprisoned or who are confined for safe-keeping in a naval prison, brig, or receiving ship shall be under the military control of the officer of the Navy in charge of such naval prison, brig, or receiving ship, as the case may be, and shall be subject to the regulations prescribed by the Navy Department for naval prisoners under such circumstances.
