Executive Order

Mrs. Louie E. Hough, who was employed as copyist and clerk in the Patent Office from November 8, 1907, to August 22, 1917, may be reinstated in a clerical position in the Patent Office without regard to the length of her separation from the service.

This order is issued on the recommendation of the Secretary of Commerce, who states that Mrs. Hough's familiarity with the work of the Patent Office would make her of greater value than an appointee having no experience in that office.

As the Civil Service Commission must be governed in its recommendations by the demands of the service, it is unable to concur.

Done for charity.
