Executive Order

Motor Vehicles

No. 3434

By virture of the Act of Congress entitled, "An Act extending certain privileges of Canal employees to other officials on the Canal Zone and authorizing the President to make rules and regulations affecting health, sanitation, quarantine, taxation, public roads, self-propelled vehicles and police powers on the Canal Zone and for other purposes, including provisions as to certain fees, money orders and interest deposits," approved August 21, 1916, Section 18 of the Executive Order of April 14, 1921, relating to licensing of vehicles, road rules, use of lights, tags and signals, and speed regulatons in the Canal Zone, is hereby amended so as to read as follows:

Amended No. 7242

Section 18: It shall be unlawful to drive or operate a vehicle over the streets and roads of the Canal Zone outside of town or village limits at a speed exceeding twenty-five (25) miles per hour, or at a speed exceeding eighteen (18) miles per hour when traveling over the streets or roads of any town or village of the Canal Zone; provided that, (a) on curves and intersections of any streets or roads, or (b) when approaching any location or apparent situation which might create a hazard to vehicle driven or operated or any other vehicle or person, or (c) when passing other vehicles, speed of all vehicles operated on streets or roads of the Canal Zone shall be so controlled as to avoid accident or injury. The intent of this Order is that, in addition to keeping within the speed limits, due care and caution shall be exercised in all situations to guard against accidents, and failure so to do shall be a violation of this Order.

The owner of a vehicle, if riding therein or thereon, shall be held jointly responsible with the person operating such vehicle for its speed and operation, agreeably to the provisions of this Section. In the absence of the owner, the person actually operating the vehicle shall be held responsible.
