STATION B ADMINISTRATIVE SITE

(Within Palisade National Forest)

IDAHO

The order of the Secretary of the Interior dated April 1, 1907, withdrawing from appropriation under the public land laws, subject to valid, adverse claims, and reserving for the use of the Forest Service as ranger stations certain unsurveyed areas in the Yellowstone, now Palisade, National Forest, Idaho, is hereby amended so as to include as Station "B" instead of the tracts erroneously described as the SW¼ SE¼ and SE¼ SW¼, Sec. 12, T. 4 N., R. 43 E., B. M., the SE¼ SW¼ and SW¼ SE¼, Sec. 18, T. 4 N., R. 44 E., B. M., containing eighty acres, now found by the official survey of the lands and the report of the Department of Agriculture to be the tracts intended to be so withdrawn and reserved, and which are actually embraced in said ranger station.
